## THE EUROBOWL EXPERIENCE

Beyond the tournament tables, Pavilion B is filled with activities and surprises to make Eurobowl 2025 a full weekend experience. Keep an eye out for the fantasy-themed watchtower, explore the shop packed with hobby essentials and collectibles, or swing by the Bloodweiser Bar for a drink with some character. You'll be able to watch a world record fall right here during the event, take part in painting and sculpting workshops, or join in on casual games throughout the day.

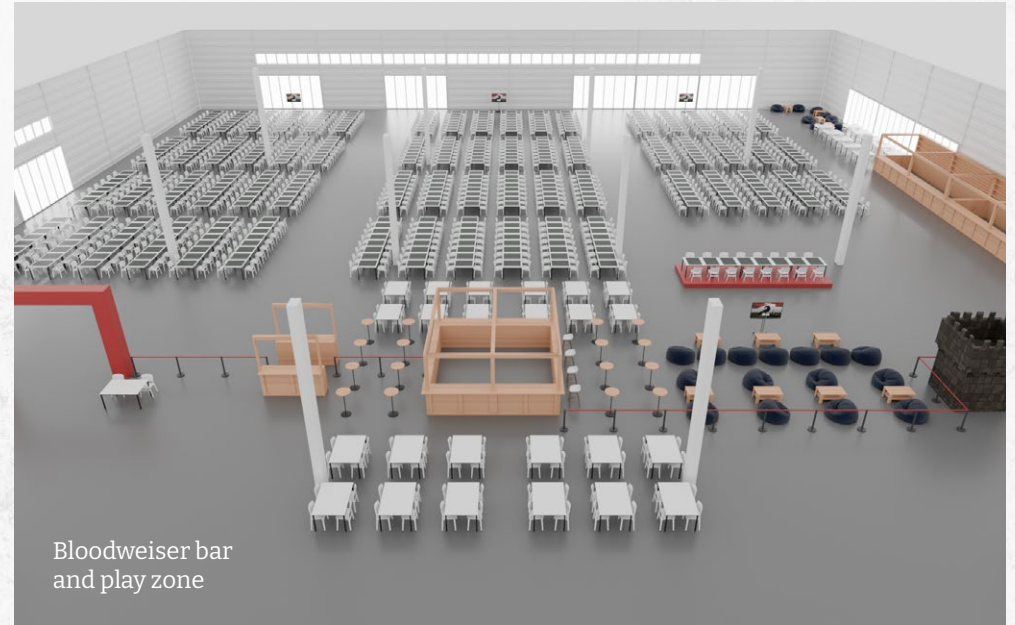

For families and friends, there's a dedicated children's area and a high-end guest lounge, a calm, comfortable space to relax while their player takes to the field. With a wide variety of food and drink options, Pavilion B is more than ready to host every moment of the Eurobowl weekend.
